

## HARRISBURG PARKS FOUNDATION

The Harrisburg Parks Foundation was established in the Fall of 2014 to help the city of Harrisburg raise much-needed funds for the maintenance of its many playgrounds and amazing system of parks. The not-for-profit organization is presently affiliated with the Foundation for Enhancing Communities to raise tax-exempt funds. The foundation's mission is to support the City of Harrisburg's Department of Parks, Recreation, and Enrichment in the preservation, maintenance, expansion, and development of the city's parks and playgrounds; and in the delivery and improvement of recreational opportunities for the benefit of the citizens of Harrisburg and the general public.

## JACK CRAGO

This year's Golf Outing honors the memory of Jack Crago. Jack, who passed away in April 2016, was a devoted member of the Parks Foundation, and its predecessor, the Harrisburg Parks Partnership. Jack spearheaded a series of annual golf outings to benefit the City's youth program. Proceeds from this year's Golf Outing will help the City refurbish and enhance its parks and playgrounds.

On behalf of the people of the City of Harrisburg, I extend heartfelt thanks to the Harrisburg Parks Foundation for presenting the Jack Crago Memorial. The event helps to support our parks and playgrounds. I also thank everyone who is participating in this event, from the companies who are providing sponsorships to the golfers who are turning out to ensure the event's success.

The City of Harrisburg is on the move! Our renaissance is the direct result of people like you who love the City and are vested in its success. You share our vision to make Harrisburg the cultural, economic and entertainment hub of our region.

We are especially grateful for your commitment to the mission of ensuring Harrisburg's parks and playgrounds are well maintained and sources of pride in our neighborhoods.

Because of your efforts, our children will have beautiful, safe places to learn and to play. Thanks again. And mark your calendars to enjoy the Jack Crago Memorial!
